1 May 2017

Dear Patients,

Due to an immediate family health issue that has recently occurred, I will be taking an indefinite leave of absence from my medical practice. This will in all likelihood lead to my future retirement. I will close my office and practice on May 31, 2017.

It has been my privilege and honor to help care for you. I appreciate your trust and confidence in me and my staff over the years. I will greatly miss all of you.

As far as my medical practice, including your charts/records, we will transfer them to Dr. Nirmal Jayaseelan @ **Dallas Bariatric Center**. He is located at 11970 North Central Expressway, Suite 670, Dallas, TX 75243. This is the Northeast corner of Forest Lane and Central Expressway. He is in the old Forest Park Medical Center Office Building. Dr. Jay's web site is www.dallasbariatriccenter.com with a contact phone number of 972-331-1111 and a fax number of 972-331-1112.

Be rest assured that I am leaving your medical care in very capable hands. Dr. Jay is well trained and board certified with an excellent bed side manner. He is very well respected among his patients and fellow medical colleagues.

Dr. Jay's bariatric patients have excellent long term weight loss results. He will provide high quality care to my bariatric and general surgery patients. I would like this to be a seamless transition with no interruption in your follow up and care. If you already have a future follow up appointment with Dr. Fox, you will need to call and re-schedule with Dr. Jay's office.

I have greatly valued our relationship and thank you for your loyalty. Again, I will continue to be available for appointments through May 31, 2017.

If you have any questions about this change, please do not hesitate to contact our office at 972-566-4560.

Sincerely yours,

Louis Fox, MD
